

# IS THIS YOUR TRASH?

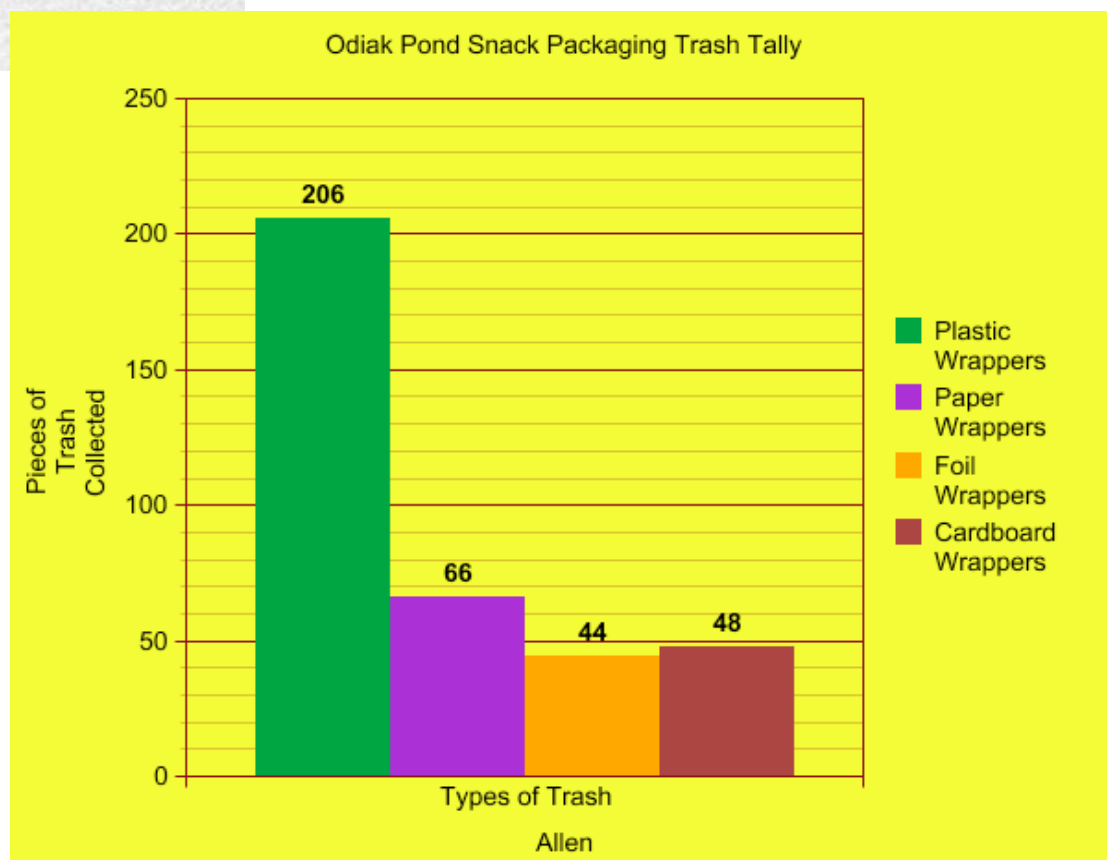

**IF THIS IS YOUR TRASH IT COULD END UP IN OUR WATER WAYS AND POLLUTE THE WATER AND DRIVE SALMON AWAY.**

## WHAT IS THE PROBLEM?

**THE PROBLEM IS WE ARE FINDING WAY TOO MUCH TRASH AROUND ODIAK POND. ITS NOT JUST FROM LITTERING AROUND THE POND ITS GETTING BLOWN OFF THE HIGHWAY.**

## HOW IT EFFECTS THE SALMON!

**WE FOUND A LOT OF PLASTIC AND OIL IN ODIAK POND. THE OIL IS TOXIC TO ALL FISH AND BUG THAT LIVE IN THE POND. IT CAN ALSO HARM OTHER SPECIES THAT LIVE IN HE POND. FISH AND OTHER ANIMALS CAN CHOKE ON THE PLASTIC IF THEY EAT IT.**

## HOW WE CAN SOLVE THE PROBLEM!

**WE CAN GET BEAR PROOF GARBAGE CANS OR TIE DOWN OUR GARBAGE CAN LIDS SO BEARS CAN'T GET IN TO THEM. WE CAN ALSO TIE DOWN OUR GARBAGE WHEN TAKING IT TO THE DUMP OR BURN PILE.**
