

Join us for the

# 8th Annual Copper Basin Invasive Weed SMACKDOWN

## Volunteer E-Weed Pull Event Starting June 1-July 31

Join the [Copper River Watershed Invasive Plants Anecdota Page](#)

Report or remove invasive plants

Complete Online Datasheet

Request Free Native Seeds

### Free Native Seed Packets

Join us to help control white sweetclover on our local roadways. This invasive weed spreads quickly on roads and streams, chokes out native plants, and compromises wildlife habitat. Learn about invasive weeds and have some fun working alongside friends and neighbors!
