8th Annual Copper River Invasive Weed SMACKDOWN

Volunteer E-Weed Pull Event Starting June 1-July 31

Join the [Copper River Watershed Invasive Plants Anecdotal Page](#)

Report or remove invasive plants

Complete Online Datasheet

Request Free Native Seeds

Free Native Seed Packets

Join us to help control orange hawkweed, oxeye daisy, and dandelions in our local community. This invasive weed spreads quickly on roadsides and yards, chokes out native plants, and compromises wildlife habitat. Learn about invasive weeds and have some fun working alongside friends and neighbors!

More Info: (907) 424-3334 or invasives@copperriver.org
