

2022 *Wild & Scenic Film Festival* SPONSORSHIP BENEFITS  
 Save the Date: **April 22, 2022**

**COPPER RIVER  
 WATERSHED**  
 — FISH —

Your contribution helps the Copper River watershed by ...

	KING MAJOR (\$20K+)	Watershed Steward (\$2K-10K)	Ridge Tracker (\$5K - \$2K)
<b>SCIENCE RESEARCH BENEFITS</b>	Paying for a salient survey to assess conditions for fish passage.	Paying a pair of field workers for monitoring local fish populations.	Analysis of water quality samples to monitor stormwater pollution.
<b>WATERSHED EDUCATION BENEFITS</b>	Transporting five Cordova Students and five Copper Basin Students to the upper and lower reaches of the watershed during the annual Copper River Stewardship Program.	Funding the set-up and maintenance of an elementary school fish tank for raising native salmon eggs in six schools in the watershed.	Paying a temperature/fish water to be used by students monitoring water quality in local streams.
<b>COMMUNITY BENEFITS</b>	Support partnership development for fish habitat improvement projects in the Copper River Watershed that also support the local economy and public infrastructure.	Support expenses for the Copper River Salmon Harvesters Roundtable: glimmers, dynamite, fish wheel covers & sport fish anglers sharing concerns, identifying research priorities.	Support for organizing community dining events in Cordova and the Copper Basin and a fishing web mapping program in Cordova.
